FLYING CLUB

Porepunkah Fly-away

*A weekend
NOT to be
missed!*

This two-day trip will have us cruising around magnificent **Mount Buffalo** and landing at one of Victoria's most picturesque airfields: **Porepunkah**.

From there the **Ovens Valley** is ours to explore with the towns of Porepunkah, **Bright** and **Wandiligong** within easy reach. Specialising in **good food**, great wines, **spectacular** walking tracks and quirky markets, the valley **offers so much** for visitors.
